Civil Suit No.119 of 1937.

Order.

Mr.B.S.Chengeri the present Manager of the suit firm having applied for relieved soon, the parties were directed to suggest the names of other persons competent to manage the firm. Defendant No. 1 has suggested the appointment of Mr.Salimath and plaintiff's pleader has approved it. The other parties have not made any suggestions. There are some other candidates but their claims are not supported by the parties. Nor any one of them possesses Mechanical or Electric Engineering qualifications. Mr. Salimath is both Mechanical and Electric Engineer now working in the Electric Power House of Mudhol State. In addition he has business experience as stated by defendant No.1 and plaintiff's pleader and as ascertained during today's interview. So this candidate seems to be the best of the lot and fit in all respects to be the manager. He is willing to work on a monthly salary of Rs 65 and there would be some saving to the firm. Hence he isappointed manager of the suit firm pending further orders and his appointment is to take effect from the date on which he takes charge from Mr.B.G. Chengeri. He will have the same powers and duties as those of the previous manager, He should furnish security for Rs 2000/- within three weeks of his taking charge.
